A Remarkable Cure of Chronic Diarrhesa.

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chropic diarrhoes. It has given me a great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample buttle of Chamberlain's colic, cholera and diarrhoen remedy, and after that I bought and took a 50 cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you it to all suffering veterans. If in doubt write me. Yours gratefully, HENRY STEINBERGER, Allentown, Pa. Sold by D. J. Brannen's drug store.

information Wanted.

I am anxious to ascertain what has become of one Richard Corbett, who it is feared has met with foul play; is supposed to have resided in Arizona the past lifteen years. but the exact location is not known He wrote from Tueson in 1892, and from Presont and Phoenix in June, He was very sick in Leadville, Colorado, in July and August, 1895, and stated that he came there from Arizona for his health He also stated that he had valuable mining property near Tueson and had mining prop erty and live stock in other parts of Arisona. While at Leadvilla he is mid to have been joined by an old Mexican doctor a med Margerito or Marguerito, presumably fr. m Sonora, Mexico; and when able to travel, they left for Arizona, since which time they cannot be lecuted.

Mr. Corbett if alive is a very old an. He was in poor health when he & Leadville, and his mind was some what affected at that time. He has minutile property in California and my information of him will be ankfully accepted.
